

#5

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

For: SPHINGOSINE 1-PHOSPHATE RECEPTOR GENE, SPPR

Docket No.: 215101.02801
Customer No. 27160

PATENT
Serial No.: 10/024,019

documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-1710.

Respectfully submitted,

Gilberto M. Villacorta, Ph.D.
